

Help San Fele

The Church in San Fele is closed due to water damage on the roof and the community needs our help to pay for the repairs the repairs. The Church is currently managed by a supportive young priest, Don Michele who comes from a neighboring town and is the parish steward for this small community.

The San Felese Society of Trenton is seeking donations that can be sent to the church for repairs and strengthening the parish.

Thousands of people emigrated out of San Fele between the late 1800's through the early 1900's, now represented by over 15,000 people worldwide. One hundred years later, for the first time, we can look back to our heritage and provide assistance to this small village of 3,800 people with limited means.
